

Orientation in SPACEBRAIN++

The 7-point star indicates the **Simtah** (=alley), in Mazal Dagim alley, a fringe theatre where we hold the meeting. Arrangements in the theatre are basic. Likewise, basic coffee breaks will be provided by the theatre on the top floor, next to the theatre hall (soi disant) where we have the talks; you are welcome to wander through Jaffa to find other refreshments.

Among several nearby places to eat or drink coffee:

- A. The best hummus in Tel Aviv (the best in the country is in Ramleh); only for lunch and quite crowded. Besides hummus, in the menu there are only masbacha, raw onions, labaneh, lemon. Highly recommended.
- B. Kedem. Next door, simple food for open air lunch or break; used to be called Napoleon Café. Ask for discounts.
- C. Yemenite Culture Museum cum jewellery shop cum café. See a short video about Yemen and taste spicy coffee.
- D. Kuka, one of 3 adjacent standard eateries (the one I have tried) with simple Libyan/Italian Jewish homey cuisine.
- E. Dr Shakshouka, self-proclaimed master of the art of cooking eggs in tomato sauce. With meat. Tasty and heavy.
- F. Abulafia, good Arab bakery with several things to eat on the go while visiting Jaffa (but not to sit).
- G. Explore the flea market and find one of several eateries and restaurants in the area, 7min from the Simtah.
